Strange World

Spock's Beard

Mary was on Face The Nation
Sunday morning ten o'clock
It's a very strange world
In a very strange timeJimmy makes a handsome living
Juggling weapons in the park
It's a very strange world
In a very strange timeAnd so it goes slowly down the road
And so I say - I got no friends todayThe bomber got his manifesto
Published in the New York Times
It's a very strange world
Got some interesting mindsAdvertising pays more than a lot
While the teacher's selling pies in the parking lot
It's a very strange world
With some well hidden crimesI didn't know life could get so cold
I didn't see - I thought they were all like meIt's a very strange world
But I think I like itI didn't know life could get so cold
I didn't see - I thought they were all like me
And so it goes slowly down the road
And so I say - I got no friends todayMary went to Face The Nation
Sunday morning ten o'clock
It's a very strange time
In a very strange world
