# Beehive

## Piqued Jacks

The queen
In need of help
Natural catastrophes
Messages of helpShe's always put her destiny
Into every heart
We all can be heroesThe last bee
Begging for help
She's always put her destiny
Into every heart
We all can be heroes
With simple acts
She's always put her destiny
Into every heart
We all can be heroesWho's gonna make life bloom?She's always put her destiny
Into every heart
We all can be heroes
For the best
Who's gonna make life bloom?
(She's seeking a refuge, to be rescued)A universal scream
The population's sins
