Doctor

You're layin' on me Help me

You'll make an evil woman out of me. Just put away your demon potion
Cause you're playing with my emotion.

I'm doctor kiss kiss
I'm gonna weave my lovin' spell on you
Da-da

And you're gonna feel my vibe right through and through. Just put away your demon potion
Cause you're playing with my emotion
Gotcha in my mouth I'm taking you. Why pick on me cause I ain't free
Don't know your name
I know what you need
you dirty dog
You'll sow the seed
and hope some little girl
will play your game. oow! dr kiss kiss
I know you're tryin' to hypnotise
And you're trying to scandalise my mind
Doctor doctor

i'll make an evil woman out of you
aha i'm doctor kiss kiss
