

# Confused

## Blackstreet

Kick it, uh, uh, uh, uh  
I wanna be all alone  
I guess, I got to be alone  
But why I got to be alone?  
Yeah, I'm so confused  
I wanna be all alone  
I guess, I got to be alone  
But why I got to be alone?  
Blackstreet, let me hear ya sing  
Just want to be lonely  
Don't need nobody to control me  
I'm tired of all the pressure on me  
But what am I going to do?  
I'm so confused  
Can't let you go no  
Sometimes, I just don't know  
But I got to let it all show  
I guess, I got to be all alone  
Sometimes, I'm confused  
About this thing I have for you  
It makes me a little crazy  
Putting me in this mood  
I want to be on my own but  
Then I want you home  
You make me feel good  
But I'd rather be all alone  
Just want to be lonely  
Don't need nobody to control me  
I'm tired of all the pressure on me  
But what am I going to do?  
I know it's wrong for me to say it  
And think this way  
But I don't want to see you  
With nobody else but me  
So, what am I supposed to do  
When I'm so ashamed?  
'Cause I may want to be alone  
Just like I was yesterday  
You need to take it all for real

And not for fun  
Even though I'm getting tired  
Of these indecisions  
'Cause I don't really know  
What'cha want to choose?  
One day I want you here  
Next don't bother, I'm so confused  
Just want to be lonely  
Don't need nobody to control me  
I'm tired of all the pressure on me  
But what am I going to do?  
I'm confused, that's not the way I choose to  
I want you and I feel you, it's the control of me  
I'm not the same, no one to blame  
I can't explain, I'm so confused  
I wanna be all alone  
I guess, I got to be alone  
But why I got to be alone  
Yeah, I'm so confused  
I wanna be all alone  
I guess, I got to be alone  
But why I got to be alone  
Uh, uh, uh  
Just want to be lonely  
Don't need nobody to control me  
I'm tired of all the pressure on me  
But what am I going to do?
