Riding round four four 2 piped up
White truck

Tinted up
Rimed up
A hat cocked brimmed up
Y'all niggas get trimmed up
Me and k t in adamsville mirrored up
Timmed up
Polo boots
I'll let the four four shoot
Just like the po po do
Dunk on you
And ya ho
Switch it over to left side
Crossover
Gimme some more
And some more, Sprain bones
I'mma keep dumping the clip
Pop til my man comes
Layin bombs
Land mines
Mack tens, tech nines
Y'all niggas gone respect mine
Imma have the whole set crying
Have the police like man down
Spraying rounds
Talk of the town
A K clip walking around
Bussin the Glock bussin the K
Niggas trying to get bust in the face
Nigga can catch one in da mouth
One oin da chest, one in da face
Change is great, platinum shit
Killing this rappin shit
And I'm an activist
Actually, I'm harder then
All y'all pussy ass niggas just go and ask ya bitch
Young droCar ain't got no roof

In da city? In da city
All my bitches with it

We be in da city

All my bitches with it
