Click Your Heels

The Orange Lights

How long before you know
that she cant stand it?
Staying here is only doing you more damage.Your tears are telling you
Its more than you can manage.
Like a white flag waving,
saying too much damage.Darling, you aint got time to be wasted.
You know you can change your life.Why cant you see it?
Love is what you want,
Love is what you need to set you free.Why cant you see it?
Love is what you want,
Love is what you need to set you free.Its clear as day to you but,
no one understands it.
Sometimes you feel as if youre talking a different language.
You need to get away but you got too much baggage get your
white flag out and click your heels and vanish.Darling, you aint got time to be wasted.
You know you can change your life.Why cant you see it?
Love is what you want,
Love is what you need to set you free.Why cant you see it?
Love is what you want,
Love is what you need to set you free.Why cant you see it?
Love is what you want,
Love is what you need to set you free.Why cant you see it?
Love is what you want,
Love is what you need to set you free.Ooooo (x4)Why cant you see it?
Love is what you want,
Love is what you need to set you free.Why cant you see it?
Love is what you want,
Love is what you need to set you free.Why cant you see it?
Love is what you want,
Love is what you need to set you free.Why cant you see it?
Love is what you want,
Love is what you need to set you free.
