

# Save The Hero

## Beyonce Knowles

I lay alone awake at night  
Sorrow fills my eyes  
But I'm not strong enough to cry  
Despite of my disguise  
I'm left with no shoulder  
But everyone wants to lean on me  
I guess I'm their soldier  
Well, who's gonna be mine?  
Who's there to save the hero  
When she's left all alone?  
And she's crying out for help  
Who's there to save the hero?  
Who's there to save the girl  
After she saves the world?  
After she saves the world  
I bottle all my hurt inside  
I guess I'm living a lie  
Inside my mind each day I die  
What can bring me back to life?  
A simple word, a gesture  
Someone to say you're beautiful  
Come find this buried treasure  
With eyes lead to a pot of gold  
Who's there to save the hero  
When she's left all alone?  
And she's crying out for help  
Who's there to save the hero?  
Who's there to save the girl  
After she saves the world?  
After she saves the world  
I've given too much of myself  
And now it's driving me crazy  
(I'm crying out for help)  
Sometimes I wish someone would just come here  
And save me, save me from myself  
Who's there to save the hero  
When she's left all alone?  
And she's crying out for help  
Who's there to save the hero?

Who's there to save the girl  
After she saves the world?  
After she saves the world
