

# Airbag (Live In Berlin)

## Radiohead

In the next world war  
Jackknifed juggernaut, I am born again

In the neon sign, scrolling up and down  
I am born again

An interstellar burst ...  
I am back to save the universe

In a deep deep sleep, of the innocent  
I am born again  
In a fast German car, I'm amazed that I survived  
An airbag saved my life

An interstellar burst ...  
I am back to save the universe

An interstellar burst ...  
I am back to save the universe  
An interstellar burst ...  
I am back to save the universe

[Various moaning]
