

Cool Jerk

The Creation

Cool Jerk

Cool Jerk

Cool Jerk

Cool Jerk Well I know a cat who can really do the cool jerk

I know a cat who can really do the cool jerk

Well this cat that you're talkin' about

Has nothing, nothing on me

'Cuz I know I'm the heppiest cat

The heppiest cat that ever could be Well they see me walkin' down the street

The say hey!

All them fellas drop to their knees

I'm the reason that they don't smirk

Cuz they know I'm the queen of the cool jerk

Cool jerk

Cool jerk

Cool jerk

Cool jerk Okay girls... break it down!

Bring it down reeeeeeeaaaalll uh-huh

Uh-huh, well that's right Now, I know a lot of you out there are thinkin'

Man, are those girls fools?

When way deep down inside

You know we're way cool

Now Gina, hon, she beats that drum

Oh man, she beat it mean

That mighty sound will shake the ground

C'mon and do your thing

Right now!

Oh that sounds good

I wanna hear some of that bad, bad bass

A one, a two, a one two three four

You're playin' baby

C'mon everybody

I wanna hear you all Can you do

Can you do can you do can you do can you do

Can you do can you do can you do can you do

Can you do can you do can you do can you do

The cool jerk

C'mon people

Cool Jerk Cool Jerk

C'mon people
Cool Jerk
We're runnin' now
Cool Jerk
Hey, hey
Cool Jerk!
