

See See Rider

Eric Burdon & The Animals

Oh see, see see rider girl see what you've done
Oh oh, see see rider see what you've done now
You've gone away and left me and now
And now the blues they come oh yes they do Oh well I'm goin' goin' away baby and I won't be back till fall
Oh yes I am goin' away baby and I won't be back till fall
If I get me a good lookin' woman no no no I won't be back at all oh right
Now see see rider I love you yes I do and there isn't one thing darling
I would not do for you you know I want you see see
I need you by my side see see rider oh keep me satisfied Oh he had see see rider see see rider
See see rider see see rider see rider
See see rider you keep on a ridin', keep on a ridin'
Here it comes baby look out
Beat it all right don't lose it now come on, come on, yeah Here she comes she's oh right
She's so fine she's all mine
See see come on Jenny dig a ride now, hey Well I'm goin', goin' away baby and I won't be back till fall
Yes, I'm goin', goin' away baby and I won't be back till fall
If I find me a good lookin' woman no no no I won't be back at all
And that's the truth baby listen I'm goin' all right
Somebody told me somebody told me
I jump catch on I leave it oh right oh right ah
