

# You Are Everything

Michael Wycoff

I'm the one with two left feet standing on a lonely street  
I can't even walk a straight line  
And every time you look at me I'm spinning like an autumn leaf  
Bound to hit bottom some time  
Where would I be without someone to save me  
Someone who won't let me fall?  
You are everything that I live for  
Everything that I can't believe is happening  
You're standing right in front of me with arms wide open  
All I know is everyday is filled with hope  
'Cause You are everything that I breathe for  
And I can't help but breathe  
You in and breathe again feeling all this life within  
Every single beat of my heart  
I'm the one with big mistakes, big regrets  
And bigger breaks than I'd ever care to confess  
Oh, but You're the one who looks at me  
And sees what I was meant to be more than just a beautiful mess  
Oh where would I be without someone to save me  
Someone who won't let me fall?  
You are everything that I live for  
Everything that I can't believe is happening  
You're standing right in front of me with arms wide open  
All I know is everyday is filled with hope  
'Cause You are everything that I breathe for  
And I can't help but breathe  
You in and breathe again feeling all this life within  
Every single beat of my heart  
You're everything good in my life  
Everything honest and true  
And all of those stars hanging up in the sky  
Could never shine brighter than You  
You are everything that I live for  
Everything that I can't believe is happening  
You're standing right in front of me with arms wide open  
All I know is everyday is filled with hope  
'Cause You are everything that I breathe for  
And I can't help but breathe  
You in and breathe again feeling all this life within

Every single beat of my heart  
You are, oh You are  
Jesus, You are  
You are everything
