

Confessions (Without Faith)

Sevendust

I see the magic taken out of our dream
That kept me young and trusted?
Singled out and dazed
What else can you do for me to keep me standing? Everyday's a new confession
Vulnerable, are we all? With our faith, we'll go on
Til it's over
The world doesn't always love you
But you never let that define you
Just have faith, we'll go on
We'll get closer
To everyone to ever tried to hate you
Say goodbye, it was nice to know you!
Nice to know you! I've become so cynical
Tell me now
How can I hear the voice of reason?
You're so beautiful
What else can you
Do for me to keep me grounded? Everyone's a new possession
Vulnerable, are we all? With our faith, we'll go on
Til it's over
The world doesn't always love you
But you never let that define you
Just have faith, we'll go on
We'll get closer
To everyone to ever tried to hate you
Say goodbye, it was nice to know you!
Nice to know you!
