Bring The Funk

Ben Harper

When it's on the one you know the funk's begun
When you are down and out there in, in no doubt
You need the funk
Just bring the funk
Bring the funk
Bring the funk
Now what's the problem? Everybody's got them
Just get the hole out of your soul
And funk
Bring me the funk
Bring the funk
If you got a glass closet, don't you throw, no bones
There's only getting until the getting's gone
So pass me the funk
Got to have my funk
Ohh I need my funk, yeah yeah
Got to have my funk
Some are jiving, some are shuck
Some are just down on their luck
They just need the funk
I got to have the funk
Just bring them some funk
Just bring the funk
Bring it, bring it, bring it, bring it
Bring it, bring it, bring it, bring it
Bring it, bring it, bring it, bring it
Bring it, bring it, bring it, bring it
Bring it, hey
We stay black
Stay white
Stay brown
Get on down
Just bring funk
Got to bring the funk
Bring the funk
I need it, I need it, I need it, I need it
I need it, I need it, I need it, I need it
I need it, I need it, yea yea
Well, it's gotta be solid

That's what you call it
Funk me up, funk me down
Funk me sideways, funk me all ways
Bring the funk
Got to bring the funk
Bring funk
Ohh ohh, somethings money can't fix
Somethings only money will do the trick
It's not the end of the world but I can see it from here
So bring, bring, bring, bring, bring me the funk
Just bring me the funk
Ohh bring the funk
