

# Fool

## Blue Cheer

(Gary L. Yoder & G.R. Grelecki)

Yeah! I like the way you smile  
And carry on  
I'd like to take it inside  
Alright now  
But a fool I'd never be  
There's no time  
Yeah, for you and me. One day with you  
When you call me old  
Gonna pull out, baby  
And leave you on your own  
Cause a fool I'd never be  
There is no time  
For you and me  
Oh, Alright (Yeah) I need some poor other baby  
Got to see about me  
I want a babe in the movies  
Under me  
Got to stretch out cookin'  
I can set you free  
Cause a fool I'd never be  
Cause a fool I'd never be  
Yeh-yeh, yeah.
