

Twinkle Twinkle Little Me

[Stevie Wonder](#)

Twinkle twinkle little me, I have a lovely light
I'm the star upon your tree that makes your Christmas bright
Twinkle twinkle little me, I left the Milky Way
Just so I could come and be with you, on Christmas day
Angels brought me where you are and Heaven gave me light
I'm that friendly little star, you wish upon each night

Twinkle twinkle little me, I have a present too
And if you give unselfishly and make a wish come true
I'll always shine for you
Well, twinkle twinkle little me, I have a present too
And if you give unselfishly and make a wish come true
I'll always shine for you
