Penelope (Acoustic)

Saosin

Oh Penelope Are you filled with air Swallowed oxygen That makes you float up? Its a travesty Will your lungs swell? Its depressing me To see you struggleOh Penelope Are you filled with air Swallowed oxygen That makes you float up? its a travesty Will your lungs swell?Its depressing me To see you struggle Im treading water with my oars Glass galeons anchored, oceans floor Im diving down with all my gear In search of treasure, para mi corazonTake you to the forest Let you feel the raindrops falling down Seeping through your redscales Eliminate the faucet

Eliminate the need for water

Replace it with a safe shellDont wanna see you floating upside down

On the top of the bowl when I

Come round to visit you

Dont wanna see you floating upside downNo girl Need you there, Need you there, Need you there

Ooh Release that air

(Im treading water with my oars

Glass galeons anchored, oceans floor

Im diving down with all my gear

In search of treasure, para mi corazon) Take you to the forest

Let you feel the raindrops falling down

Seeping through your redscales

Eliminate the faucet

Eliminate the need for water

Replace it with a safe shell
