Lovely

Makua Rothman

Sunny days on the North Shore
Living a dream that I had before
I canâ€™t believe that you chose me
You carried me out of the winter storm
â€”You take me higher

CHORUS:
Youâ€™re looking so lovely, lovely Girl
Really really lovely lovely girl
Youâ€™re looking so lovely, lovely Girl
Really really lovely lovely girl
So nice to meet yah, whisper in my ear
Tell me all the things that I want to hear
Youâ€™re looking so lovely, lovely girl
Really really lovely lovely girl
He u`i no `oe

Flying up to the clouds above
Oh every time I turn around
When Iâ€™m lost with you Iâ€™m found
I feel alive when youâ€™re around
â€”You take me higher

CHORUS:
Youâ€™re looking so lovely, lovely Girl
Really really lovely lovely girl
Youâ€™re looking so lovely, lovely Girl
Really really lovely lovely girl
So nice to meet yah, whisper in my ear
Tell me all the things that I want to hear
Youâ€™re looking so lovely, lovely girl
Really really lovely lovely girl
He u`i no `oe

Sun shines upon your face
Your lips shining in the sun
I canâ€™t believe with meâ€¦
You want to beâ€¦

Looking through the islands for some girls to have some fun

Love the local girls cause they are me number one

I said looking through the islands for some girls to have some fun
Lovely local girls cause they are me number oneâ€”say

â€”You take me higher

CHORUS:
Youâ€™re looking so lovely, lovely Girl
Really really lovely lovely girl
Youâ€™re looking so lovely, lovely Girl
Really really lovely lovely girl
So nice to meet yah, whisper in my ear
Tell me all the things that I want to hear
Youâ€™re looking so lovely, lovely girl
Really really lovely lovely girl
He u`i no `oe

Looking through the islands for some girls to have some fun
Love the local girls cause they are me number one

I said looking through the islands for some girls to have some fun
Lovely local girls cause they are me number one

He u`i no `oe
