Behold Our God

Brandon Heath

He is the glory of the stars
He is the lover of the human heart
The universe is in His hands
Next to Him none will standBehold our God
In all His Majesty
Behold our God
Author of mystery
Behold our God
He is our Father and our Friend
Faithful to the end
Behold HimHis love is wider than the sea
Goes on forever through eternity
Washed on His shore, we're grains of sand
Next to Him none will standBehold our God
In all His Majesty
Behold our God
Author of mystery
Behold our God
He is our Father and our Friend
He's faithful to the end
Behold our King
Fall down in wonder
And behold our King
There is no other
He is everything
He is the life and light of man
Beginning and the end
Glorious, glorious
Everything about You
Everything about You is
Glorious, glorious
Come and see all of His beauty
