My Baby Don't Know

Hill Country Revue

I play the blues all night long
My baby think I'm doin' wrongBut I wouldn't hurt her
But I wouldn't hurt her
My baby don't know if I love her
My baby don't know if I love herBaby don't know, baby don't know
What I'm doin', doin' for her
Baby don't know, baby don't know
What I'm doin', doin' for her, doin' for herAll I do is sit at home
Play my guitar and make a songBut I wouldn't hurt her
But I wouldn't hurt her
My baby don't know if I love her
My baby don't know if I love herBaby don't know, baby don't know
What I'm doin', doin' for her
Baby don't know, baby don't know
What I'm doin', doin' for her, doin' for herI work real hard to pay the bill
So we can have a place to liveBut my baby say
But my baby say
That I don't love her anymore
That I don't love her anymoreBaby don't know, baby don't know
What I'm doin', doin' for her
Baby don't know, baby don't know
What I'm doin', doin' for her, doin' for herDoin' for her, doin' for her
Doin' for her, doin' for her
Doin' for her, doin' for her
Doin' for her, doin' for herDoin' for her, doin' for her
Doin' for her, doin' for her
Doin' for her, doin' for her
Doin' for her, doin' for her
Doin' for her, doin' for herDoin' for her, doin' for her
Doin' for her, doin' for her
Doin' for her, doin' for her
