Nothing Left to Give

[Lionel Richie](#)

I walk the land and released all the weight on my shoulders
And I sailed the seas and watched all of my dreams come true
I flew the sky and seen everything from a bird's view
And I rode the streets and reality brought me back to youThat's when I realized that we gotta be alive
Yeah and party like there's nothing left to give
Yeah, it's nothing, yeah, there's nothing
Yeah, party like there's nothing left to give
Yeah, it's nothing, yeah, there's nothing
Yeah, party like there's nothing left to giveCan you imagine going through life so crazy?
So busy, don't have time to be with your baby
Need to go out and enjoy this nightlife to save me
I been feeling oh so good about how things going latelyThat's when I realized that we gotta be alive
To party like there's nothing left to give
Yeah, it's nothing, yeah, there's nothing
Yeah, to party like there's nothing left to give
Yeah, it's nothing, yeah, there's nothing
Yeah, party like there's nothing left to giveYeah, it's nothing, yeah, there's nothing
Yeah, party like there's nothing left to give
Yeah, it's nothing, yeah, there's nothing
Yeah, party like there's nothing left to givePeople to the left hey, people to the right hey
If you wanna do some things in life just know it's gonna be alright
Now all my fellas to the left hey, ladies to the right hey
If you wanna do some things in life just know it's gonna be alrightSo can you give it all to me, so can you give
it all to me
Wanna feel your energy, oh yeah, wanna see you rock with me, oh yeah
So can you give it all to me, so can you give it all to me
Wanna feel your energy, oh yeah, wanna see you rock with me, oh yeahLet me hear you sing it
Yeah, it's nothing, yeah, there's nothing
Yeah, party like there's nothing left to give
Yeah, it's nothing, yeah, there's nothing
Yeah, party like there's nothing left to give
Party like there's nothing left to give
