

Greed

Buckcherry

Iâ€™ve lost my place and I donâ€™t wanna cause trouble
But Iâ€™m here to get mine
So if you could, would you kindly move?
Iâ€™ll only ask you one time, cause Iâ€™m gonna get through
I donâ€™t need anybody else
Iâ€™m not afraid to take a risk, I donâ€™t practice good health
I donâ€™t pray and I donâ€™t rely
On a long make-out shallowly, watch the crime

I donâ€™t care who I have to tremble
I donâ€™t care, cause I want it bad
The consequences ainâ€™t no fucking matter
Greed is the answer, everyoneâ€™s going mad
Taking everything you can
Stealing right from your hand,
When youâ€™re gonna make a stand?
'Cause we will tell you not

I never changed my point of view
Iâ€™m a cold motherfucker that never gets screwed
But I was through anybody else
Who try to take what is mine cause I hate myself
The story tellers, they will write the lines
But between the lines is where the story lies
They sugar coated with somebodyâ€™s help
Cause if you grand the truth, you have to check yourself

I donâ€™t care who I have to tremble
I donâ€™t care, cause I want it bad
The consequences ainâ€™t no fucking matter
Greed is the answer, everyoneâ€™s going mad
Taking everything you can
Stealing right from your hand,
When youâ€™re gonna make a stand?
'Cause we will tell you not

They keep saying thereâ€™s no tomorrow
Can you speak after you will follow?
Another difference to swallow

And now our greed is gonna grow.

I donâ€™t need anybody else
Iâ€™m not afraid to take a risk, I donâ€™t practice good health
I donâ€™t pray and I donâ€™t rely
On a long make-out shallowly, watch the crime

I donâ€™t care who I have to tremble
I donâ€™t care, cause I want it bad
The consequences ainâ€™t no fucking matter
Greed is the answer, everyoneâ€™s going mad
I donâ€™t care who I have to tremble
I donâ€™t care, cause I want it bad
The consequences ainâ€™t no fucking matter
Greed is the answer, everyoneâ€™s going mad
Greed is the answer
Taking everything you can
Greed is the answer
Stealing right from your hand
Greed is the answer
When youâ€™re gonna make a stand?
Greed is the answer,
Cause we will tell you not
