Hey Now (Arty Remix)

London Grammar

Hey now,
Letters burning by my bed for you
Hey now,
I can feel my instincts here for you
Hey now
By my bed for you
Hey now
Hey nowUhu
You know it is frightening
Uhu, uhu,
You know it's like lightning
Hey now, nowHey now,
Letters burning by my bed for you
Hey now
Leave it to the wayside like you do, for you
Imagination calling mirrors for you
Hey now
Hey nowUhu
You know it is frightening
UhuÂ uhu,
You know it's like lightning, now now now now
Hey now, now
Hey now, now
Hey now, now
Hey now, now
Uhu, uhuÂ
Uhu, uhu
