

# Hey Now (Arty Remix)

## London Grammar

Hey now,  
Letters burning by my bed for you  
Hey now,  
I can feel my instincts here for you  
Hey now  
By my bed for you  
Hey now  
Hey nowUhu  
You know it is frightening  
Uhu, uhu,  
You know it's like lightning  
Hey now, nowHey now,  
Letters burning by my bed for you  
Hey now  
Leave it to the wayside like you do, for you  
Imagination calling mirrors for you  
Hey now  
Hey nowUhu  
You know it is frightening  
UhuÂ uhu,  
You know it's like lightning, now now now now  
Hey now, now  
Hey now, now  
Hey now, now  
Hey now, now  
Uhu, uhuÂ  
Uhu, uhu
