

Doesn't Anybody Stay Together Anymore

Phil Collins

You keep on walking so you don't fall down
It's the same old story
You keep on hiding so you can't be found
It's the same old story
Oh, but I know you, you're the one who ran
You know why, it's because you can, oh
But it's alright, 'cause I don't mind
I'm just trying to help
But I wonder why, doesn't anybody stay together anymore
I wonder why, doesn't anybody stay together anymore
My friends keep falling and they can't get up
It's the same old story
Well, one says white and the other one black
It's the same old story
And I don't know why you keep emotions walled up
Your heart's on your sleeve, but your sleeve is rolled up
But it's alright, 'cause I don't mind
I'm just trying to help
But I wonder why, doesn't anybody stay together anymore
Oh, I wonder why, doesn't anybody stay together anymore

I wonder why, doesn't anybody stay together anymore
I wonder why, doesn't anybody stay together anymore
Things can change, from a misunderstanding
Nobody talks, nobody hears, oh oh oh
Makes me wonder why, doesn't anybody stay together anymore
Oh, I wonder why, doesn't anybody stay together anymore
You keep on looking for that higher ground
It's the same old story
Your glass is empty and the chips are down
It's the same old story
But I don't know why, your emotions walled up
Your heart's on your sleeve, but your sleeve is rolled up
But it's alright, 'cause I don't mind
I'm just trying to help
But I wonder why, doesn't anybody stay together anymore
Oh, I wonder why, doesn't anybody stay together anymore
Oh, I wonder why, doesn't anybody stay together anymore
Oh, I wonder why, doesn't anybody stay together anymore

Oh, I wonder why, doesn't anybody stay together anymore
