

# Anna Sun

## Walk The Moon

Screen falling off the door, door hanging off the hinges  
My feet are still sore, my back's on the fringes  
We tore up the walls, we slept on couches  
We lifted this house, we lifted this house  
Fire crackers in the east, my car parked south  
Your hands on my cheeks, your shoulder in my mouth  
I was up against the wall, on the west mezzanine  
We rattle this town, we rattle this scene

Oh Anna Sun---

Oh Anna Sun-----

What do you know, this house is falling part  
What can I say, this house is falling apart  
We got no money but we got a heart---  
We're gonna rattle this ghost town  
This house is falling apart  
Screen falling off the door, door hanging off the hinges  
My feet are still sore, my back's on the fringes  
We were up against the wall, on the west mezzanine  
We rattle this town, we rattle this scene

Oh Anna Sun--

Oh Anna Sun---

What do you know, this house is falling apart  
What can I say, this house is falling apart  
We got no money but we got a heart--  
We're gonna rattle this ghost town  
Do you know this house is falling apart  
What can I say, this house is falling apart  
We got no money but we got a heart---  
We're gonna rattle this ghost town

This house is falling apart

This house is falling apart

Live my life without--station wagon rides

Fumbling round the back

Not one seat belt on

Wait for summer time

Coming up for air--

Now it's all a wash

Now it's all a wash

Live my life without, coming up for air--, now it's all a wash, I want everyone--

Racing down that hill  
I am faster than you  
Wait for summer time  
Wait for summer time---  
Oh Anna Sun!--  
Oh Anna Sun!---  
Sun---

What do you know, this house is falling apart  
What can I say, this house is falling apart  
We got no money but we got a heart--  
We're gonna rattle this ghost town  
Do you know this house is falling apart  
What can I say, this house is falling apart  
We got no money but we got a heart--  
We're gonna rattle this ghost town  
This house is falling apart!  
This house is falling apart!  
This house is falling apart!  
We're gonna rattle this ghost town  
This house is falling apart!  
This house is falling apart!
