...in A Bag

Static-x

Got to get it out of me

I feel let

I feel let

I feel let

I feel let down

Push it down, inspite of me

I feel let

I feel let

I feel let

I feel let down

Lay it out in front of me

I feel it

I feel it

I feel it now

Tie it up, tie it up

Throw it

Throw it

Throw it

Throw it out

(Tie me up)

I'm cursing, I'm searching

(Tie me down)

I'm giving up

(Tie me up)

I'm losing, I'm drowning

(Tie me down)

In my shit

Got to get it out of me

I feel let

I feel let

I feel let

I feel let down

Push it down, inspite of me

I feel let

I feel let

I feel let

I feel let down

(Tie me up)

I'm cursing, I'm searching

(Tie me down)

I'm giving up

(Tie me up)

I'm losing, I'm drowning

(Tie me down)

In my shit

I'm cursing, I'm searching

I'm giving up hoping

I'm losing, I'm drowning

In my shit, I'm floating

It's after, it's never

It's too late for reason

It's now or it's never

It's over, it's pouring out

(Tie me up)

I'm cursing, I'm searching

(Tie me down)

I'm giving up

(Tie me up)

I'm losing, I'm drowning

(Tie me down)

In my shit

(Tie me up)

It's after, it's never

(Tie me down)

It's too late

(Tie me up)

It's now or it's never

(Tie me down)

It's pouring out

(Tie me up)

I'm cursing, I'm searching

(Tie me down)

I'm giving up

(Tie me up)

I'm losing, I'm drowning

(Tie me down)

In my shit

(Tie me up)

It's after, it's never

(Tie me down)

It's too late

(Tie me up)

It's now or it's never

(Tie me down)

It's pouring out
