

# Now You Know (feat. Anita Neault)

**Richard Mckay**

(Verse 1)

I am so sorry that I couldn't be what you wanted  
I can see the disappointment in your eyes, and that's kept you distant from me

(Chorus)

I didn't wanna show how I felt inside well now you know  
Now you know, now you know, now you know

(Verse 2)

My past is my past, so why don't you leave it alone  
I am made of lot of mistakes, and that's made me who I am

(Chorus)

I didn't wanna show how I felt inside well now you know  
Now you know, now you know, now you know

Now you know, now you know, now you know
