

# It's a Man's, Man's, Man's World

## James Brown & His Famous Flames

This is a man's world, this is a man's world  
But it wouldn't be nothing, nothing without a woman or a girl  
You see, man made the cars, to take us over the road  
Man made the train, to carry the heavy load  
Man made the electric light, to take us out of the dark  
Man made the boat for the water, like Noah made the ark  
This is a man's, man's, man's world  
But it wouldn't be nothing, nothing without a woman or a girl  
Man thinks about a little baby girls and a baby boys  
  
Man makes them happy, 'cause man make them toys  
And after man make everything, everything he can  
You know that man makes money, to buy from other man  
This is a man's world  
But it wouldn't be nothing, nothing not one little thing  
Without a woman or a girl  
He's lost in the wilderness  
He's lost in bitterness  
He's lost, lost somewhere
