

# Make Yours A Happy Home

## Gladys Knight & The Pips

You're just smiling this morning  
All of your love is wishing you well  
Your tears made you swell  
So make yours a happy home Oh, with the love at sight  
I got a happy crowd  
All on my will, has made me a way  
I've got love today  
So just make yours a happy, happy home I wanna do you right  
You love me out of sight  
I wanna be what pleases you  
So long is there is peace with you  
That's all I can do So let us make yours a happy, happy home  
Make yours a happy home We can do it, we can do it, we can do it now, baby Uuh yeah, I get full of pride and so  
sanctified  
You don't have to be for me  
No superstar I love you just the way you are  
So won't you make yours a happy home  
Make yours a happy home I wanna do you right, love me out of sight  
I wanna be what pleases you  
So long is there is peace with you  
That's all I can do So let us make yours a happy, happy home  
Make yours a happy home We can do it  
Uh, we can do it now, baby Ay-ay-ay, yeah Ah, yeah, with the love at sight  
I got a happy crowd  
All on my will, has made me a way I've got love today  
So just make yours a happy home  
Make yours a happy home We can do it, uh, we can do it now, baby  
Yeah-eh, yeah-ah-yeah I get full of pride and so sanctified  
You don't have to be for me  
No superstar I love you just the way you are  
So won't you make yours a happy home  
Make yours a happy home (Oh baby, we can make it  
Oh baby, we can make it  
Oh baby, we can make it)
