# Foldin Clothes

## J. Cole

I wanna fold clothes for you
I wanna make you feel good
Baby I wanna do the right thing
Feels so much better than the wrong thing
I said I wanna fold clothes for you
I wanna make you feel good
Baby I wanna do the right thing
Feels so much better than the wrong thing
I wanna fold clothes for youI wanna fold clothes for you
Woke up this morning
Feeling like the best version of me, so happy
I, walked in the living room
And saw you all alone on the couch, just napping
I, I see a lot on your plate
9 months with that weight
I know you tired so I wonder how I can help
I get the basket and grab your clothes out the dryer
OhI wanna fold clothes for you, hey hey
I wanna make you feel good
Baby I wanna do the right thing
Feels so much better than the wrong thing
I said I wanna fold clothes for you
I wanna make you feel good
Baby I wanna do the right thing
Feels so much better than the wrong thing
I wanna fold clothes for youListen, this is a meditation for me
A practice of being present
There's no where I need to be, except right here with you
Except right here with you
Foldin' clothes, watching Netflix
Catching up on our shows, eating breakfast
Raisin Bran in my bowl with bananas and some almond milk
I never thought I'd see the day I'm drinking almond milk
You soft!I wanna fold clothes for you
I wanna make you feel good
Baby I wanna do the right thing
Feels so much better than the wrong thing
I said I wanna fold clothes for you
I wanna make you feel good

Baby I wanna do the right thing
Feels so much better than the wrong thing
I wanna fold clothes for youIf I can make life easier, the way you do mine
Save you some time, alleviate a bit of stress from your mind
Help you relax, let you recline babe
Then I should do it, cause Heaven only knows
How much you have done that for me
Now I see it's the simple things
It's the simple things, it's the simple things
Now say, "I love you" it's the simple things
It's the simple things, it's the simple thingsNiggas from the hood is the best actors
We the ones that got to wear our face backwards
Put your frown on before they think you soft
Never smile long or take your defense off
Acting tough so much we start to feel hard
Live from the city where they pull cards
I got a Glock 40 and a little nine
Ready for the day a nigga pull mine
Niggas from the hood is the best actors
Got learn to speak in ways that's unnatural
Just to make it through the job interviews
If my niggas heard me, they'd say "Damn what's gotten into you?"
Just trying to make it dog, somehow
Peaking through the blinds, I see the sun now
I see you're still sleeping and it feels like
Maybe everything is gon' be alright
