

# Fate don't know you (OST Suits s6/ep10)

## Desi Valentine

I put my palms before her eyes  
And she told me my truth  
Laid the road for me  
A rich man's destiny  
But she saw it without you  
She's a liar  
She has no clue  
You're the one thing I will not lose  
I'll turn the tide  
Pull down the moon  
Run rivers dry  
Battle fate for you  
Let's burn the pages  
We'll start anew  
Right through the ages, to prove  
Fate don't know you like I do  
Like I do I'm gonna make you feel my love  
Leave you no room for doubt  
No other hope for me  
You're my destiny  
Won't go nowhere without you  
You're my fire  
That much is true  
You're the one thing I will not lose  
I'll turn the tide  
Pull down the moon  
Run rivers dry  
Battle fate for you  
Let's burn the pages  
We'll start anew  
Right through the ages, to prove  
Fate don't know you like I do oh  
Like I do  
Like I do You're my fire  
They have no clue  
You're the one thing I will not lose  
I will not lose  
I'll turn the tide  
Pull down the moon  
Run rivers dry  
Battle fate for you  
Let's burn the pages  
We'll start anew  
Right through the ages

Fate don't know you like I do oh

    Know you like I do

Fate don't know you like I do
