Undecided

Anita O'Day

First you say you do, and then you don't
And then you say you will, and then you won't
You're undecided now
So what are you gonna do?

Now you wanna play, and then it's no
And when you say you'll stay, that's when you go
You're undecided now
So what are you gonna do?

I've been sitting on a fence, and it doesn't make much sense
'cause you keep me in suspense, and you know it
Then you promise to return, when you don't I really burn
Well, I guess I'll never learn and I show it

If you've got a heart and if you're kind
Then don't keep us apart, make up your mind
You're undecided now
So what are you gonna do?

I've been sitting on a fence, and it doesn't make much sense
'cause you keep me in suspense, and you know it
Then you promise to return, when you don't I really burn
Well, I guess I'll never learn and I show it

If you've got a heart and if you're kind
Then don't keep us apart, make up your mind
You're undecided now
So what are you gonna do?

Now if you don't love me I wish you'd say so
I love ya so much honey, I just got to know
I'm just a fool for you
What are ya gonna do?
