

# Everything You Want

## Vertical Horizon

Somewhere there's speaking it's already coming in  
Oh and it's rising at the back of your mind  
You never could get it unless you were fed it  
Now you're here and you don't know why But under skinned knees and the skid marks  
Past the places where you used to learn  
You howl and listen, listen and wait for the  
Echoes of angels who won't return He's everything you want, he's everything you need  
He's everything inside of you that you wish you could be  
He says all the right things at exactly the right time  
But he means nothing to you and you don't know why You're waiting for someone to put you together  
You're waiting for someone to push you away  
There's always another wound to discover  
There's always something more you wish he'd say He's everything you want, he's everything you need  
He's everything inside of you that you wish you could be  
He says all the right things at exactly the right time  
But he means nothing to you and you don't know why But you'll just sit tight and watch it unwind  
It's only what you're asking for  
And you'll be just fine with all of your time  
It's only what you're waiting for Out of the island into the highway  
Past the places where you might have turned  
You never did notice but you still hide away  
The anger of angels who won't return He's everything you want, he's everything you need  
He's everything inside of you that you wish you could be  
He says all the right things at exactly the right time  
But he means nothing to you and you don't know why I am everything you want, I am everything you need  
I am everything inside of you that you wish you could be  
I say all the right things at exactly the right time  
But I mean nothing to you and I don't know why  
And I don't know why, why? Why? And I don't know
