Abundantly

Moneoa

I was a lost soul in the world
I didn't know what to want
I didn't know how to need
I was a lost soul and it hurt
I took in half of them and gave them all of meAnd I know what I deserve, but sometimes I do not see.
I seem to want the things that don't seem to want me.
But Lord you came down and gave a hand to me
You blessed me with your grace and so abundantly
I was alone, my heart was so afraid
I carry too much pain
Just me on my own.
But you knew right away I had much more to gain.
Took me away
Took me away
Took me away
Took me away
You're amazing on my GOD
You've shown me all my worth
And favoured me highly
Yes I know now oh dear Lord
I don't have to try to get the love l needAnd I know what I deserve, but sometimes I do not see.
I seem to want the things that don't seem to want me.
But Lord you came down and gave a hand to me
You blessed me with your grace and so abundantly
I was alone, my heart was so afraid
I carry too much pain
Just me on my own.
But you knew right away I had much more to gain.
Took me away
Took me away
Took me away
Took me away
Sometimes Lord, the way you work makes me cry.
But l know now and I won't ever, ever ask you why
You're my key
You're my key
You're my keyAnd I know what I deserve, but sometimes I do not see.
I seem to want the things that don't seem to want me.
But Lord you came down and gave a hand to me

You blessed me with your grace and so abundantly
I was alone, my heart was so afraid
I carry too much pain
Just me on my own.
But you knew right away I had much more to gain.
Took me away
Took me away
Took me away
Took me away
