

# Open All Night

Daryl Hall & John Oates

I know how you spent your time  
Too many people know you weren't alone  
Your after hours followed you home  
Oh, I heard, he said

She was open all night  
While I was away  
You were open all night (open all night)  
Don't ask me to tell you who told me  
She was open all night (open all night)  
While I was away  
You were open all night (open all night)  
Don't ask me to tell you who said

Gotta lotta friends that I don't need  
They say, "You'd rather hear it first from me"  
Maybe I don't wanna hear it at all  
It's too far to fall  
So, don't say

She was open all night  
While I was away  
You were open all night (open all night)  
Don't ask me to tell you who told me  
She was open all night (open all night)  
Ooh ooh, while I was away  
You were open all night (open all night)  
Don't ask me to tell you who said

(Don't ask me to tell you)  
Baby, I don't wanna know  
(No, I don't wanna tell you)  
Please, don't tell me, you don't have to say no more  
(Don't ask me to tell you)  
Don't ask me, girl, don't ask me, girl, ooh  
(No, I don't wanna tell you)  
You were open all night

(Don't ask me to tell you)  
I know how you spend your time

(No, I don't wanna tell you)  
Oh, they told me, you were getting outta line, oh-oh  
(Don't ask me to tell you)  
Baby, it's too far to fall  
(No, I don't wanna tell you)  
I don't wanna hear it at all, oh-oh  
(Don't ask me to tell you)  
(No, I don't wanna tell you)  
(Don't ask me to tell you)  
(No, I don't wanna tell you)

(Don't ask me to tell you)  
(No, I don't wanna tell you)  
(Don't ask me to tell you)  
(No, I don't wanna tell you)

(Don't ask me to tell you)  
(No, I don't wanna tell you)
