

Vindicated

String Tribute Players

Hope dangles on a string
Like slow-spinning redemption
Winding in and winding out
The shine of it has caught my eye
And roped me in
So mesmerizing so hypnotizing
I am captivated
I am

Vindicated
I am selfish
I am wrong
I am right, I swear I'm right
Swear I knew it all along and
I am flawed
But I am cleaning up so well
I am seeing in me now the things you swore you saw yourself

So clear like the diamond in your ring
Cut to mirror your intention
Oversized and overwhelmed
The shine of which has caught my eye
And rendered me so isolated
So motivated
I am certain now that
I am

Vindicated
I am selfish I am wrong
I am right, I swear I'm right
Swear I knew it all along and
I am flawed
But I am cleaning up so well
I am seeing in me now the things you swore you saw yourself

So turn up the corners of your lips
Part them and feel my fingertips
Trace the moment, fall forever
Defense is paper thin
Just one touch and I'd be in too deep now

To ever swim against the current
So let me slip away
So let me slip away
So let me slip away
So let me slip against the current
So let me slip away (4x)

Vindicated
I am selfish I am wrong
I am right, I swear I'm right
Swear I knew it all along
And I am flawed, but I am cleaing up so well
I am seeing in me now the things you swore you saw yourself

Slight hope
It dangles on a string
Like slow spinning redemption
