A Dignified Rage

Superheist

You see generally I try to keep my head straight
I try to keep positive thoughts in my mind
I gotta rise above the rest and fly with the angels
And fly with the angelsNo regrets, no soul left
Look in my eyes and you'll see
That this rage is dignified
It's all I have insideNo regrets, no soul left
Look in my eyes and you'll see
That this rage is dignifiedDivisions tearing me
The memories flow
Right out to seaAnd you know lately I've been letting things slip
I need a sign from you am I gonna sink this ship
Will I ever find myself again and fly with the angels
And fly with the angelsNo regrets, no soul left
Look in my eyes and you'll see
That this rage is dignified
It's all I have insideNo regrets, no soul left
Look in my eyes and you'll see
That this rage is dignified
It's all I have insideDivisions tearing me
The memories flow
Right out to seaMm, division grips on me
Division grips on meNo regrets, no soul left
Look in my eyes and you'll see
That this rage is dignified
It's all I have insideNo regrets, no soul left
Look in my eyes and you'll see
That this rage is dignified
