Palace/Curse

The Internet

Aye, y'all ain't never been to a party before?
I don't know what to say
But I couldn't let you get away
I was admiring your pretty face
Come to my house you can get away
I got a pool
A tennis court if you wanna play
A couple ramps if you wanna skate
Wings on my back if you wanna fly awayCome into my palace, girl
Everything you've ever wanted
Come into my palace girl
Even if you don't wanna stay
It's okay
Come into my palace
Come into my palace, girlYeah, you havin' a good time tonight y'all?
