

# My Number One

## BrÃ-et Sunna ValdemarsdÃ³ttir

You're my lover, undercover  
You're my secret passion and I have no other  
You're delicious, so capricious  
If I find out you don't want me I'll be vicious  
Say you love me and you'll have me  
In your arms forever and I won't forget it  
Say you miss me, come and kiss me  
Take me up to heaven and you won't regret this  
You are the one, you're my number one  
The only treasure I'll ever have  
You are the one, you're my number one  
Anything for you 'cause you're the one I love  
You're my loverYou're a fire and desire  
When I kiss your lips, you know, you take me higher  
You're addiction, my conviction  
You're my passion, my relief, my crucifixion  
Never leave me and believe me  
You will be the sun into my raining season  
Never leave me and believe me  
In my empty life you'll be the only reason  
You are the one, you're my number one  
The only treasure I'll ever have  
You are the one, you're my number one  
Anything for you 'cause you're the one I love  
You're my lover, undercover  
You're my secret passion and I have no other  
You are the one, you're my number one  
The only treasure I'll ever have  
You are the one, you're my number one  
Anything for you 'cause you're the one I love
