I Love It

Jon D.

Yeah, here she comes two hours late
But that girl's always worth the wait
And I love it
She's got a tie-dyed shirt on wrong side out
But she makes left of center seem right somehow
And I love it
She's got a way of being nonchalant
Kind of quirky, everything I'm not
She's so unordinary, so unpredictable it's scary
I think I got more than what I bargained for
But I keep coming back for more of it
'Cause I love it, I love it, I love it
She's got her two tattoos, one on her back
And I ain't saying where the other one's at
Ooh, I love it
She don't own a dress but she's a beauty queen
Taking glamor shots in cut-off jeans

And I love it
But if there's one thing that I love the most
It's how she does exactly what I think she won't
She's so unordinary, so unpredictable it's scary
I think I got more than what I bargained for
But I keep coming back for more of it
'Cause I love it
That girl's so unordinary, so unpredictable it's scary
I think I got more than what I bargained for
But I keep coming back for more of it
'Cause I love it
I love it
I love it
I love it
