

# Beautiful Day

Elize

Hey you  
I know what you've been going through  
Rainclouds in the sky follow you  
Sometimes you don't know what to do  
Band new day but you're feeling blue

Cause when you're in the dark  
Once you lose your spark  
Everything seems so hopeless  
With positivity comes good energy  
All you need is your focus  
Cause when your smiling you'll move mountains and be  
Somewhere much better if you only believe

Look up at the sun  
Cause it's shining for you  
It's a beautiful day  
It's a beautiful day  
See a million colors  
And you'll feel brand new  
It's a beautiful day  
It's a beautiful day
