Anna Calvi

The lonely won't hold me for good  
Peaceful is gleaming she stood  
To see her, to be her, to change  
As if like a kiss we're the same  
So hold me up, hold me up  
If only I could be youEliza

ElizaMy sister, my pistol below  
If you could know all that I know  
I'm falling, no warning, no way  
Tomorrow, tomorrow's too late  
So hold me up, hold me up  
I know that I could be youEliza
