

Say You Love Me

MYMP

Oh hoh

Oh yeah

Oh woh Don't you know that I want to be more than just your friend

Holding hands is fine but I've got better things on my mind

You know it can happen if you'll only see me in a different light

Baby, when we fin'lly get together, you will see that I was right Say you love me (just say you love me)

You know that it could be nice (could be nice)

If you'll only say you love me (say you love me)

And don't treat me like I was ice, hoh Please love me (just say you love me)

I'll be yours and you'll be mine (you'll be mine)

If you'll only say you love me, baby (say you love me)

Things would really work out fine Don't you know that I want to be more than just your friend

Holding hands is fine but I've got better things on my mind

You know it can happen if you'll only see me in a different light

Baby, when we fin'lly get together, you will see that I was right Say you love me (just say you love me)

You know that it could be nice (could be nice)

If you'll only say you love me (say you love me)

And don't treat me like I was ice, hoh Ahi yeah yeah

You know that it could be nice

If you'll only say you love me

And don't treat me like I was ice, hoh hoh

Please love me, woh woh woh woh woh Say you love me (just say you love me)

You know that it could be nice (could be nice)

If you'll only say you love me (say you love me)

And don't treat me like I was ice, hoh Say you love me (just say you love me)

You know that it could be nice (could be nice)

If you'll only say you love me (say you love me)

And don't treat me like I was ice, hoh Say you love me (just say you love me)

You know that it could be nice (could be nice)

Say that you love me (say you love me)

Woh woh woh woh woh (Just say you'll love me)

(You'll be mine)

(Say you love me)
