

# V.I.M.

## Fireball Ministry

Abbadon  
Coming on  
Locust screams  
The end is not what it seems  
Fallen one  
Destruction's son  
Buried alive  
No time to run and hide  
Still waiting for the rapture  
Your ticket's no way out  
Living run  
Damage done  
Blackness swells  
Suffocating in Hell  
Abbadon  
Always won  
Endless strife  
Time is not a measure of life  
Still waiting for the rapture  
Your ticket's no way out
