

Piano & I

Alicia Keys

Hello, my goodness
Didn't know I was here
Do you know my name?
(Can't go wrong when you try)
Always got to try
No matter how long that shit take
Yeah, yeah
Uh
Whatever stops you from dreamin'
Whatever tries to stop you from livin'
Flip it Welcome home
'Cause right now what I have to do
Is I gotta amp myself up as well as you
So, yeah, so what it took me like
Maybe two years and shit
But I'm feelin' prepared
You know what I'm sayin'
And I'm feelin' a little more ready for the world
And less loss
As I once was So come on
What you waitin' on?
Feel me, feel me, feel me
What, uh, yeah
What, uh, yeah
What?
