Bring It All Back

S Club 7

Bring it all back now

Don't stop, never give up
Hold your head high and reach the top
Let the world see what you have got
Bring it all back to you

Hold on to what you try to be
Your individuality
When the world is on your shoulders
Just smile and let it go
If people try to put you down
Just walk on by don't turn around
You only have to answer to yourself

Don't you know it's true what they say
That life, it ain't easy
But your time's coming around
So don't you stop tryin'

Don't stop, never give up
Hold your head high and reach the top
Let the world see what you have got
Bring it all back to you
Dream of falling in love
Anything you've been thinking of
When the world seems to get too tough
Bring it all back to you

Na na na na..

Try not to worry 'bout a thing
Enjoy the good times life can bring
Keep it all inside you
Gotta let the feeling show
Imagination is the key
'Cos you are you're own destiny
You never should be lonely
When time is on your side

Don't you know it's true what they say
Things are sent to try you
But your time's coming around
So don't you stop tryin'

Don't stop, never give up
Hold your head high and reach the top
Let the world see what you have got
Bring it all back to you
Dream of falling in love
Anything you've been thinking of
When the world seems to get too tough
Bring it all back to you

Na na na na..

Don't you know it's true what they say
Things happen for a reason
But your time's coming around
So don't you stop tryin'

Don't stop, never give up
Hold your head high and reach the top
Let the world see what you have got
Bring it all back to you
Dream of falling in love
Anything you've been thinking of
When the world seems to get too tough
Bring it all back to you
