

Never Close Our Eyes

Adam Lambert

I wish that this night would never be over
There's plenty of time to sleep when we die
So let's just stay awake until we grow older
If I had my way we'd never close our eyes

Our eyes

Never

I don't wanna let a minute get away
'Cause we got no time to lose
None of us are promised to see tomorrow
And what we do is ours to choose
Forget about the sunrise
Fight the sleep in your eyes
I don't wanna miss a second with you
Let's stay this way forever
It's only getting better
If we want it to

You know that I wish that this night would never be over
There's plenty of time to sleep when we die
So let's just stay awake until we grow older
If I had my way we'd never close our eyes

Our eyes

Never

It's so hard to think this could fade away
But what goes up must come down

Why can't we just live life with no consequence
And always live in the now
Forget about the sunrise
Fight the sleep in your eyes
I don't wanna miss a second with you
Let's stay this way forever
It's only getting better
If we want it to

You know that I wish that this night would never be over
There's plenty of time to sleep when we die
So let's just stay awake until we grow older
If I had my way we'd never close our eyes

Our eyes

Never

Oh
Yeah
Oh
Yeah

You know that I wish that this night would never be over
There's plenty of time to sleep when we die
So lets just stay awake until we grow older
If I had my way we'd never close our eyes
Our eyes
Never
