

Easy Things Hard

[Matt Wertz](#)

First you notice
Then you ask her name
Then you get her number
Call her up the next day You start to wonder if she feels the same
Second guessing every word you say
Not even rolling but you hit the brakes
Why do my beginnings always end this way? Making easy things hard
Why'm I always making easy things hard?
Ain't complicated when you follow your heart
Why'm I always making easy things hard? Do you think about her
When she's not around?
Are you better with her
Than you are without?
Is it too soon to want to say those words?
Is it deep enough to go head first?
Afraid to go so far you can't reverse
Should I take a chance and see if this thing works? Making easy things hard
Why'm I always making easy things hard?
Ain't complicated when you follow your heart
Why'm I always making easy things hard? Nobody knows
How these things have to go
You'll know when you know
Until then, let it go Making easy things hard
Why'm I always making easy things hard?
Ain't complicated when you follow your heart
Why'm I always making easy things hard?
Making easy things hard
Why'm I always making easy things hard?
Ain't complicated when you follow your heart
Why'm I always making easy things hard?
