

Broken and Ugly

[Beth Hart](#)

Me and my dog really get along
She don't howl when I'm screamin' my songs
I cuss, I drink, I lie, I spit,
Guess I really don't give a shit
Broken and ugly yes I am
Still I feel good divin' in Mama
I'm runnin' again- odelay
Down in Alabama where I'm wanted in jail
I'm a little nervous in the Bible belt
I'm broke I'm smoked out and passed out on the bar
Then I took all the money and your grandma's car
Broken and ugly yes I am
Still I look good divin' in Mama
I'm runnin' again- Odelay
Do what ya do say what ya say
Don't waste no time on yesterdays
Cash in your ticket to ride
Don't let them talk you into walkin'
Into no one else's shoes
Don't be no sucker in line
