ItÂ´s Too Late

Helix

My blood is hot
And my fever is high
I should have watched
For those danger signs

I got this urge
Burnin' deep inside
Like a bullit in a chamber
On a one way ride

(Tonight you're gonna find out)
Do ya even care
(You made a fool of me)
And thought I'd still be there

But It's Too Late
This time you put out the fire
Too Late
I'm running on lost desire
It's Too Late
Yes it is

You stole my heart
And I just gotta say
Like a thief in the night
I felt you slippin' away

There's no rules
To the games that you play
No
This time I ain't gonna stay

(Tonight you're gonna find out)
Do ya even care
(You made a fool of me)
And thought I'd still be there

But It's Too Late
This time you put out the fire
Too Late

I'm running on lost desire
Too Late
It's Too Late

It's Too Late
This time you put out the fire
Too Late
I'm running on lost desire
Too Late
This time you put out the fire
Too Late
I'm running on lost desire
Too Late
Put out the fire
Too Late
Put out the fire
It's Too late
